## Manpower Australia and New Zealand Fact Sheet

### Company Overview:

Manpower Inc. (NYSE: MAN) is a world leader in the employment services industry; creating and delivering innovative workforce solutions that enable clients to win in the changing world of work. 62 years old in 2010, the \$16 billion company offers a range of services for the entire employment and business cycle including permanent, temporary and contract recruitment; employee assessment and selection; training; outplacement; outsourcing and consulting. Manpower's network of 4,000 offices in 82 countries and territories enables the company to meet the needs of 400,000 clients per year, including small and medium size enterprises in all industry sectors, as well as the world's largest multinational corporations. Manpower focuses on raising productivity through improved quality, efficiency and cost-reduction across the total workforce, enabling clients to concentrate on their core business activities. Manpower Inc. operates under five brands: Manpower, Manpower Professional, Elan, Jefferson Wells and Right Management.
